

Walking Directions from Weill Hall to Plantations Welcome Center (Saturday dinner)

Walk from Weill to the Tower Road sidewalk across the road heading away from the Statler. You are on the left side of Tower Road walking toward traffic. Turn left at the stop sign on Judd Falls Road. The stairway entrance to the Plantations is on the left. Walk toward the old welcome center. The new, contemporary Welcome Center is behind the old one.

There is a more direct, more scenic route, but it is unlit.
